

# ODYSSEY OF THE MIND SPONSOR FORM

## Help Send the Fairport Odyssey of the Mind Teams to the World Finals!

### What is Odyssey of the Mind?

OOTM is a creative problem-solving program for students K-12. It combines art, science, engineering, performance, and teamwork. It is student-led with no outside assistance allowed from parents or adults! Teams select 1 of 5 problems to solve and must present their solution in the form of an 8-minute skit creating their own props, costumes, set, script and required engineering elements. They also must compete in “spontaneous” competitions where they creatively solve an unknown problem on the spot.

### Who is going to World Finals?

This year, FOUR Fairport teams qualified to advance to the WORLD Finals, outperforming over 32 teams in NY State! Every team earned a podium spot at the Greater Rochester Regional Tournament in March, qualifying them for the New York State Finals. There, they competed against teams from across the state, placing in the top three for their respective problems and divisions. Each will advance to the next level of competition as NYS World Finalists! Teams comprised of student from Fairport High School, Minerva Deland, Martha Brown, and Johanna Perrin will travel together to compete and represent our community at the World Finals in Iowa, May 27<sup>th</sup> through May 30<sup>th</sup>!
